Policies

Policies and Procedures are the strategic link between the Company vision, and its day-to-day operations. Basically, policies and procedures allow management to guide operations without constant management intervention.

Below is list of policies used in Columbia University.

**CUIT Technology Policies**

<table>
<thead>
<tr>
<th>Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>SDE (Secure Data Enclave) - Restricted-Use Data</td>
</tr>
<tr>
<td>SDE (Secure Data Enclave) - Computing and Methods Core</td>
</tr>
<tr>
<td>Cloud Hosting Policy - Draft</td>
</tr>
</tbody>
</table>

**Administrative Policies**

- Columbia Research Policies
- Columbia Library Policies
