Start instant audio meeting on Meetings for Windows

Step 1: Click the Start without video button on the homescreen of RingCentral Meetings.

Joining your audio to a meeting

Step 2: Select an option to join the audio to the meeting:

a. **Phone Call**: A number is provided for you to call and join the audio to the meeting.
b. **Computer Audio**: Your computer microphone and speaker will be used for the meeting audio.
c. **Call Me**: Your number will be called by RC Meetings for you to join the meeting audio.

**A. Join your audio by calling a number**

**Step 2A**: Join the audio by calling the number given by the application as shown.
- Select the option **Phone Call**.
- Call the given number from your telephone.
- Enter the **Meeting ID** with the dial pad.
- Enter the **Participant ID**.

**B: Join your audio by computer mic/speaker**

On this page

- Joining your audio to a meeting
  - A. Join your audio by calling a number
  - B. Join your audio by computer mic/speaker
  - C. Join your audio by answering an incoming call

Tips

- Select Single Sign-On option to Sign In.
- When you are not speaking during a conference call, use the mute option to eliminate background noise.
- Avoid echoing by using headset with microphone.
- Default Deactivate video from Settings if you prefer to join meetings without video.
- Sync your system calendar with Meetings to get notifications of upcoming meetings.
- If sharing screen from a multi-screen setup, keep Meetings application on the screen you wish to share.
- Use Meeting Password while scheduling private meetings.

Support Contact

Please submit a ticket to the CUIT Service Desk to ask questions or report an issue. You can also call the Service Desk at 212-854-1919. You can expect a response within one business day.
**Step 2B:** Join the audio by using the mic and speaker of your computer.

- Select the option **Computer Audio**.
- Click **Join Audio Conference by Computer**.

**Step 2C:** Join the audio by answering the incoming call on your desired number.

- Select the option **Call Me**.
- Enter your phone number to get called by the application.
- Click **Call Me** and you will receive an incoming call on the entered number.
- Answer the incoming call to join the meeting audio.
