### Joining your audio to a meeting

**Step 2:** Select an option to join the audio to the meeting:

- **Phone Call:** A number is provided for you to call and join the audio to the meeting.
- **Computer Audio:** Your computer microphone and speaker will be used for the meeting audio.
- **Call Me:** Your number will be called by RC Meetings for you to join the meeting audio.

A. Join your audio by calling a number

**Step 2A:** Join the audio by calling the number given by the application as shown.

- Select the option *Phone Call*.
- Call the given number from your telephone.
- Enter the *Meeting ID* with the dial pad.
- Enter the *Participant ID*.

B: Join your audio by computer mic/speaker

### Tips

- Select Single Sign-On option to Sign In.
- When you are not speaking during a conference call, use the mute option to eliminate background noise.
- Avoid echoing by using headset with microphone.
- Default Deactivate video from Settings if you prefer to join meetings without video.
- Sync your system calendar with Meetings to get notifications of upcoming meetings.
- If sharing screen from a multi-screen setup, keep Meetings application on the screen you wish to share.
- Use Meeting Password while scheduling private meetings.

### Support Contact

Please submit a ticket to the CUIT Service Desk to ask questions or report an issue. You can also call the Service Desk at 212-854-1919. You can expect a response within one business day.
**Step 2B:** Join the audio by using the mic and speaker of your computer.
- Select the option Computer Audio.
- Click Join Audio Conference by Computer.

**C:** Join you audio by answering an incoming call

**Step 2C:** Join the audio by answering the incoming call on your desired number.
- Select the option Call Me.
- Enter your phone number to get called by the application.
- Click Call Me and you will receive an incoming call on the entered number.
- Answer the incoming call to join the meeting audio.
