Start instant audio meeting on Meetings for Macs

Joining your audio to a meeting

**Step 1:** Click the **Start without video** button on the homescreen of RingCentral Meetings.

**Step 2:** Select an option to join the audio to the meeting:

a. **Phone Call:** A number is provided for you to call and join the audio to the meeting.

b. **Computer Audio:** Your computer microphone and speaker will be used for the meeting audio.

c. **Call Me:** Your number will be called by RC Meetings for you to join the meeting audio.

A. Join your audio by calling a number

**Step 2A:** Join the audio by calling the number given by the application as shown.

- Select the option **Phone Call.**
- Call the given number from your telephone.
- Enter the **Meeting ID** with the dial pad.
- Enter the **Participant ID.**

B: Join your audio by computer mic/speaker

Tips

- **Select Single Sign-On** option to Sign In.
- When you are not speaking during a conference call, use the mute option to eliminate background noise.
- Avoid echoing by using headset with microphone.
- Default **Deactivate** video from **Settings** if you prefer to join meetings without video.
- Sync your system calendar with Meetings to get notifications of upcoming meetings.
- If sharing screen from a multi-screen setup, keep Meetings application on the screen you wish to share.
- Use **Meeting Password** while scheduling private meetings.

Support Contact

Please submit a ticket to the CUIT Service Desk to ask questions or report an issue. You can also call the Service Desk at 212-854-1919. You can expect a response within one business day.
Step 2B: Join the audio by using the mic and speaker of your computer.

- Select the option Computer Audio.
- Click Join Audio Conference by Computer.

Step 2C: Join the audio by answering the incoming call on your desired number.

- Select the option Call Me.
- Enter your phone number to get called by the application.
- Click Call Me and you will receive an incoming call on the entered number.
- Answer the incoming call to join the meeting audio.
