[Directory](#) - [Events](#) - [Academics](#) - [Research](#) - [Outreach](#) - [Graduate School](#) - [Photo Gallery](#)

## Welcome

If you are a current undergrad in any way involved with Astronomy at Columbia then this is the wiki for you. We have information regarding everything from research to outreach and it is all editable for those with a valid uni. If this is your first time here then follow the steps below:

1. take the [Undergraduate Astronomy Sign Up](#)
2. Browse other mailing lists [here](#)
3. ~~Subscribe to our [blog](#) and [twitter](#) feed~~
